

Making a donation on the RSK Benefice website: Contact information and Privacy Policy

Thank you for showing interest in making a donation on the RSK Benefice website. Before making the donation, here is some information on (i) how to contact us if you have any concerns or questions about making the donation, (ii) how we will use the data which you enter as a part of making the donation, including the donation amount and, (iii), the way in which we will use your donation.

Contacts for concerns or questions

You may contact us by email (jain.winton@gmail.com) or by calling the RSK Benefice Office on 01235 202860.

Use of data

All of the data which you enter when making the donation will be used only for the purpose of making the donation and any follow-up action(s) which are directly related to the payment. We do not store any of your data for future use.

The contact details which you enter (name, postal address, email address), may be used by the card provider as part of their security checks and / or by us if there are any follow-up actions needed on your payment – for example, we might wish to thank you for your donation using either your postal or email address.

The Payment Details will specify the amount of the donation – the amount is entered as a number and is in pounds sterling, for example, entering 10 will donate £10. We ask if the amount you donate is eligible for Gift Aid, and whether you are prepared to cover the processing cost of the transaction (2.9%). Confirming either, or both, of these options will increase the amount we receive. We do not have any preset donation amounts as we believe the amount of your donation should be entirely your choice. We are always grateful for any donation, no matter what the amount.

The Card details Again, we would like to emphasise that we do not store your card information.

How your donation will be used

We will use your donation to help with covering the on-going running costs of the church, including, for example, lighting, heating, on-going maintenance, etc.
